

Ego-ExoClip

Egocentric

Exocentric

 Camera-wearer cracks the egg open in the bowl on the countertop with both hands.

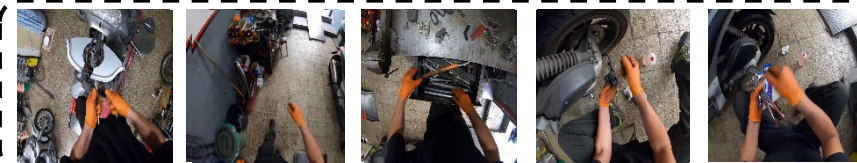

EgoIT

 Watch the egocentric video and focus on hand-object interactions to answer the questions.

 ? What activities am I engaged in?
With my hand lightly supporting the pot and holding a spoon to continuously stir the vegetables in the pot, I make sure the vegetables are heated evenly.

EgoBench

? Where was tongue and groove plier with orange handle before I picked it?

? Summarize the process C uses to prepare her brush for painting and how it contributes to the artwork's quality.
